SOFTWARE UPGRADE PROPOSAL & SERVICE AGREEMENT

Yosola Schools Management Portal — 5 High-Impact Feature Package

Prepared For:	The Management & Proprietor, Yosola Schools	**Prepared By:**	Opeyemi Ayomide (Lead Software Developer)
Document Type:	Commercial Proposal & Monthly Retainer Agreement	**Currency & Date:**	Nigerian Naira (NGN — ₦) | October 2026

1. INTRODUCTION & OVERVIEW

This proposal outlines a plan to upgrade the **Yosola Schools** management portal with **Five (5) Practical, High-Impact Features**. These additions directly address the school's core daily needs: recovering outstanding fees faster, reaching parents directly on WhatsApp without extra messaging charges, generating complete terminal report cards with behavior/character ratings, saving morning attendance time for teachers, and printing student ID cards directly in-house.

This document also includes a **Monthly Developer Management Agreement** to guarantee the system stays online, safely backed up, and supported at all times.

2. THE 5 HIGH-IMPACT FEATURES

Feature 1 Instant WhatsApp Parent Messages

Zero extra SMS fees

- **One-Click Fee Reminders:** From any student's bill, click once to prepare a personalized WhatsApp reminder with their exact outstanding balance and Yosola Schools bank details.
- **Morning Absence Notification:** When a pupil is marked absent during morning roll call, a WhatsApp prompt is ready to immediately check in with the parent.
- **Report Card Release Notice:** Instant alert to parents on WhatsApp the moment end-of-term results are published.

Feature 2 Complete Terminal Report Cards

Academics + Character + Next Term Notice

- **Character & Behavior Ratings (Affective Domain):** 1 to 5 star rating for habits: *Punctuality, Neatness, Politeness, Honesty, Attentiveness, Sportsmanship, and Handwriting*.
- **Class Position & Averages:** Automatically shows the pupil's overall rank (e.g. 1st, 2nd, 3rd in class), total score, and the class average.
- **Continuous Assessment (CA) Breakdown:** Supports 1st Test (20%) + Midterm Test (20%) + Final Exam (60%) = 100%.
- **Printed Resumption & Fee Notice:** Every printed report card displays the *Vacation Date, Next Term Resumption Date, and Next Term Fees Due*.
- **Smart Teacher & Principal Comments:** Ready-made comment suggestions based on student average score.

Feature 3 School Fee Recovery & Exam Clearance Passes

Protecting school revenue

- **Fee Debtors Directory:** Clear dashboard listing all pupils with unpaid fees, sorted by class, showing live total debt across the school.
- **Printable Exam Passes (Exam Dockets):** Print wallet-sized slips (6 per page) for cleared students: "*YOSOLA SCHOOLS — CLEARED FOR EXAMINATIONS*" to verify hall entry.

- **Official Stamped Payment Receipts:** Clean printable receipts with the Yosola Schools crest, unique receipt number, payment reference, and green "PAID" stamp.

Feature 4 **Quick 30-Second Morning Attendance** *Effortless morning roll call*

- **One-Click "Mark All Present":** Class teachers select their class and mark everyone present in one click, simply unticking the few who are late or absent.
- **Morning Attendance Overview:** Daily summary on the Principal's dashboard showing school-wide attendance percentage and daily absentees.

Feature 5 **In-House Student ID Card Printing & School Identity** *Save printing costs*

- **Batch Printable Student ID Cards:** Formats 8 ready-to-print cards per page with school crest, student photo, admission number, class, blood group, and emergency contact.
- **Morning Assembly Birthday Celebrants:** Dashboard reminder highlighting pupil birthdays this week for morning assembly recognition and prayer.
- **Authorized Pickup Contacts:** Clear records of approved parents, guardians, or drivers permitted to pick up each pupil after closing.

3. PRICING SUMMARY

PACKAGE	DELIVERABLES & SCOPE	PRICE (NGN)
5 High-Impact Features Upgrade	Complete design, setup, testing, and activation of all five (5) new features listed above for Yosola Schools.	**₦130,000** (One-Time)
Continuous Developer Management	Monthly maintenance, weekly safe backups, bug fixing, termly updates, and dedicated technical support.	**₦50,000 / month** (Monthly Retainer)

4. CONTINUOUS DEVELOPER MANAGEMENT AGREEMENT (₦50,000 / MONTH)

To ensure the school system runs reliably every day and never interrupts school activities, the developer (**Opeyemi Ayomide**) will actively manage and maintain the system under this monthly agreement:

- **Keeping the System Online 24/7:** Proactive monitoring so the portal is always fast and accessible to staff and parents.
- **Weekly Safe Data Backups:** Secure weekly backups of all student grades, fee records, and profiles to prevent data loss.
- **Fast Issue Resolution:** Quick fixing of any technical glitches, calculation errors, or display issues.
- **Termly Rollovers & Updates:** Setting up new terms, updating resumption dates, updating fee amounts, and moving pupils to their new classes.
- **Direct Technical Support:** Dedicated phone and WhatsApp support for school management and teachers during peak academic periods.
- **System Security & Health:** Ongoing updates and security safeguarding to keep confidential school records protected.

> **Support Commitment:** Standard requests responded to within **2 to 4 hours** on school working days (7:30 AM – 5:00 PM). Urgent issues during examination or result compilation periods receive **top priority intervention within 1 hour**.

5. IMPLEMENTATION TIMELINE & PAYMENT MILESTONES

STAGE	MILESTONE	TARGET TIME	PAYMENT
Step 1	Project Start & Initial Setup	Days 1 – 3	**50% Advance (₦65,000)**

STAGE	MILESTONE	TARGET TIME	PAYMENT
Step 2	Feature Development & Testing	Days 4 – 7	—
